Vicki,

The faculty met this afternoon to evaluate all programs where directors have presumptively renewable contracts. Consideration was given to whether programs have been terminated or materially modified. The faculty is requesting that you present a statement detailing the functions of your program in order to help them in this determination. Please provide a statement to Associate Dean Debbie Challener by Sunday, June 7th at 5:00 p.m.

Thank you in advance for providing the statement for faculty consideration.
